KIA Is For Everyone
WWW.KIARTS.LIVE

Kingdom Image Arts (KIA) is an innovative, community-centered arts focused initiative designed to specifically empower minorities through a comprehensive approach and access to basic needs, social services, and health stability and access through ART education, entertainment, experience, and exposure.

KIA's full portfolio of programming strengthens and foster transferable skills identifying the benefits of how the arts enhance the quality of life and improve our well-being.

KIA brings together individuals, creatives, seniors, and families of all demographics, leading individuals to access services, education and resources by fostering a culture of empowerment. This effect promotes a realistic model for changing the community landscape for change.

About KIA

Kingdom Image Arts is a community cultural arts organization with an eye towards bridging the gap that divides us. The organization is dedicated to equipping all demographics with education, experience, exposure and entertainment of all creative art genres using the programmatic strategy of **Music, Art, and Production**. Through programming, services, and opportunities, KIA empowers individuals, creatives, and families to explore their creativity and innovation, increase their self of belonging to a safe space, improve their overall health and wellbeing, and increase the artistic ecosystem.

Our work began with the flagship program, **Kingdom Image Awards**, a celebration of community work and diversity of all creative art disciplines, recognizing the work of creatives, entrepreneurs, influencers, and media. Now, recognized across the country as the Inspirational Grammy-like production, the awards attract creatives, supporters, and enthusiasts across the country that inspire attendees and provide an opportunity to experience greatness to clean programming the entire family can enjoy.

Headquartered in an **8,000** square foot community center and the only programming service provider in the near east side of Columbus, KIA, we believe the arts should be experienced and enjoyed by all regardless of their personal demographics, economic status, or education level.

The arts uplift and inspire but also foster transferable experiences and a supportive community. By providing a safe space, an inclusive community, and meaningful opportunities, we ensure that all generations are more prepared and equipped for life but inspired by change.

Mission

Our mission is to empower all generations through inspirational arts, performances, education, and influential programming contributing to personal wellness, economic impact, and social change.

We carry out our mission through
Four supportive service pathways:

Cultured Live Entertainment & Experiences

Unique opportunities for high-quality and raising the standard of excellence for relevant and participatory art experiences.

Youth Services

Using a curriculum, Social Emotional Learning services, and M.A.P. experiences; programs educate and expose youth to an growth and development through arts-based programming.

Entrepreneur Services

Workforce Development education and support for creative entrepreneurs and small businesses; increasing the ecosystem to build and maintain sustainable businesses and career pathways.

Seniors & Family Services

Connecting seniors and families to basic needs, human and social services and resources making them a more active and engaged citizens as a positive and influential change agent.

Initiatives

KIA's programming model is structured so the entire family can access the transformative power of the arts. Each program successfully serves the group to which it's tailored, and taken together, the programs play a vital role in exposing underserved populations to diversified arts. The organization programs continue to be innovative and have a focus on those who do not have access to all creative art disciplines. Our programs are designed to improve the overall health and well-being of individuals within our communities.

Entrepreneur University

A collegiate workforce model for creatives, entrepreneurs, entertainment professionals, and small businesses through the stages of a successful and sustainable career. Designed for a progressive matriculation of four quarters, with the final quarter provides a paid internship exposing the student through a roving experience for a full spectrum and understanding and exposure to all business positions: increasing the ecosystem and strengthening the artistic career pipeline. The program provides industry and subject matter expert mentorships, peer collaboration, and supports the students building their business and creative portfolio with access to a final practicum business pitch investment. This program eliminates the status quo and statistics of small businesses not surviving behind 5 years.

Family Fun Days

Connection, community, collaboration is what Family Fun Days promotes a safe space for education, resources, and entertainment while promoting family stability and community vitality and thriving neighborhoods. The program encourages families to connect outside of their haven, creating a safer community and building strong social collaboration otherwise would not exist because of our household silos and loss of connection. Family Fun Days create positive health outcomes contributing to the social determinants of health while promoting community enrichment, building social cohesion, and economic development. The program builds a sense of trust building relationships and a sense of belonging, bridging a vital community that is realistic to live, work, and play.

Kingdom Kidz (Afterschool, Summer Camp, and Mentoring)

Serving youth ages 5-18, the Kingdom Kidz program provides S.T.E.A.M. education, academic support (tutoring), social and emotional learning with life skill development, and exposure with education to creative arts programming. Each program provides weekly art experiences with creative professionals increasing their palette for art appreciation and art careers; also providing cultured experiences typically not accessible or experienced by underserved families. Program is year-round programming with accessible hours to meet all family dynamic structure and needs.

Initiatives

Kingdom Image Awards

A celebration of community work and diversity of all creative art disciplines, recognizing the work of creatives, business, media, and influencers. Recognized as one of the premier awards productions across the country, the Kingdom Image Awards annually attracts artists, industry professionals, businesses, and enthusiasts across the country. Coined as the nation's inspirational Grammy-like awards production, celebrates the best in inspirational entertainment and promotes clean alternative entertainment programming. The awards production recognizes 21 categories and 4 honorees, with performance and networking opportunities.

Live Performances

Using M.A.P. (Music, Art, Production) programmatic strategy, the live performances provide an opportunity for creatives to curate their own experience contributing to the sustainability of their artistic careers and businesses and exposure to new audiences. The artists are supported and provided with a success-proof business model to create an experience that connects the artist to a wider range of audience members, sponsors, and influencers. Live Performance artist receives above industry standard compensation that contribute to their overall creative career and performance portfolio. KIA exposes the broader community to all genres, making the experiences accessible to a wide demographic. KIA opens new horizons for historically marginalized communities and guides audience members to a greater degree of confidence in their artistic sensibilities and expressive capability.

M.A.P. Academy

Music, Art, Production Academy offers a unique opportunity to underserved communities and residents to have meaningful accessible art experiences. M.A.P. Academy is intentional about creating and exposing residents to instructional hands-on experiences that will increase their awareness, expand their knowledge, and appreciation of artistic disciplines regardless of skillset or demographics. M.A.P. Academy is used to foster engagement with residents using the arts as Common Ground and an opportunity for connection, education, and increase personal and professional development.
